For Immediate Release: January 16, 2023 / Westfield (Marquette County), Wisconsin

## Meet our new Library Director, Eliana Luke

“My name is Eliana Luke,  
and I am ecstatic to be joining the  
Ethel Everhard Memorial Library team!”

“I will complete my MA in Library and Information Studies through UW Madison this coming spring. I have experience teaching English in the U.S. and Peru, but have decided to pursue a career closer to my heart: librarianship! I am fortunate to live nearby with my partner and two dogs. I am very much looking forward to meeting more community members, so please feel free to stop by and chat.”
